How many bed nets can ISJ send to Africa?

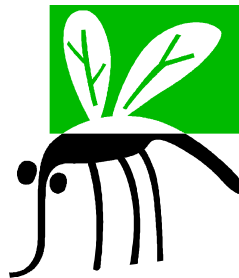

The kids down in Africa keep getting bit by mosquitoes who usually make them quite sick.

The kind-hearted students here at ISJ can send nets that will keep those mosquitoes away.

Check out our posters in the hallway to see how many nets we have earned so far. Nets are \$10 each and that includes the cost of delivery and education on its use.

Jan. 27 \$51.54
