

Immanuel-St. James Lutheran Preschool 2011-2012

He tends his flock like a shepherd:
He gathers the lambs in his arms
and carries them close to his heart;
He gently leads those that have young.

Isaiah 40:11

PHILOSOPHY & PURPOSE

It is the philosophy of Immanuel-St. James Lutheran Preschool that early childhood should be a time of fun, warmth, security, exploring, and discovery. Preschool children are creative and receptive; the staff strives to nurture and encourage these qualities in children who attend.

The preschool's purpose is to provide a Christian atmosphere that encourages social, emotional, physical, intellectual, and spiritual growth and development of the whole child.

Planned within the framework of philosophy and purpose, Immanuel-St. James Lutheran Preschool's curriculum includes sharing and conversation time; stories, songs, and fingerplays; creative art activities and small muscle developing crafts; games and large muscle activities; field trips throughout the community; food preparation; science and nature activities; exposure to shapes colors, numbers, and letters; and the celebration of birthdays and holidays.

ANTI-DISCRIMINATION STATEMENT

Immanuel-St. James Lutheran Preschool admits students of any race, color, national or ethnic origin. All students are entitled to the rights, privileges, programs and activities generally accorded or made available to students at the school. It does not discriminate on the basis of race, color, national or ethnic origin in the administration of its policies, admission policies, scholarship programs, athletic and other school-administered programs.

SNACKS

A snack time is part of the daily routine. Milk is provided by the school and snacks are furnished by parents. Parents will receive a monthly calendar containing the snack schedule. Snacks may be home-made or purchased, but must maintain a nutritional value. We encourage our parents to bring nutritious snacks such as: fruit, granola bars, cheese and crackers, vegetables, dried fruits, etc... When a child is celebrating a birthday, he/she may bring a special birthday treat to share.

HELPER OF THE DAY

The day your child brings snack he/she is also the helper of the day. This means serving as line leader, calendar helper, and snack helper. Your child will look forward to this special day.

CLASSROOM VOLUNTEERS

The classroom teacher will supervise all volunteers. Any volunteer who will be in the classroom on a regular basis will need a children's protective services clearance.

FIELD TRIPS

An important part of Immanuel-St. James Lutheran Preschool's curriculum is exposing the children (4 and 5 year olds) to many and varied experiences within the community; therefore, a number of field trips are planned during the school year. Parents will be informed of field trips in advance through newsletters and a permission slip sent home for each trip. It is required that a signed permission slip be returned before the child may go on a field trip. Parents will need to bring in a booster seat on field trip days.

We require that all parent volunteers who will be driving on our field trips have a children's protective services clearance. Each volunteer will also need to provide us with a copy of a valid driver's license, which will be kept on file.

PROGRESS REPORTS

Progress reports and Parent Teacher Conferences are scheduled as follows:

- 3 year olds will receive two written evaluations during the year. A parent teacher conference will be held in early spring.
- 4 and 5 year olds will receive three written evaluations during the year. Parent teacher conferences will be held once or twice during the year; depending on the child's class assignment.

If at any time you have a concern or a problem that involves your child and school, please call the teacher outside of school hours and either discuss the problem over the phone or make arrangements for an appointment.

PROGRESS REPORTS AND CONCERNS

The teacher will respond to any concerns or difficulties arising at school and will either notify you by phone, in person, or a written note requesting a consultation. Our staff is always nearby to lend support, answer questions or discuss the needs of your child.

THE CHILD'S PROGRESS

A parent can judge the child's progress by observing whether he/she is:

- becoming more considerate of others
- working independently
- following directions more consistently
- taking better care of belongings
- acting with greater self-confidence
- showing more appreciation of the world around him/her
- becoming more observant
- assuming more responsibilities

DISCIPLINE

Acceptable behavior is encouraged by giving positive verbal rewards. This reinforces a child's good feeling about his/her behavior and serves as an example to other children to act in such a way as to receive this praise. Asking a child to stop and think about his/her unpleasant behavior enables that child to work at self-control.

For a child not cooperating in a group learning situation, the child is reminded by the teacher of acceptable behavior. Removal from the group for a period of time out is the next tactic used for a child who continually demonstrates unacceptable behavior. This time out is not a punishment, but rather a time when the child may calm down, remember what behavior the teacher is asking for, and decide for himself/herself when he/she is ready to rejoin the group with appropriate behavior.

If behavior problems persist, the parent is asked to a conference to discuss what may be helpful in motivating the child to behave in an acceptable way. It may be suggested that the child be involved in a behavior modification program, with the parent having the option of being involved in the process as well.

We encourage you to follow closely the instructions given by your family's physician and return your child to school when fully recovered.

A student will not be permitted to attend classes or other school sponsored activities if the student is known to be afflicted with, or liable to transmit any contagious disease, unless the Christian Day School Board of Immanuel-St. James Lutheran School or its designee, has determined, based on medical evidence, that: (1) the student is no longer infected or liable to transmit the disease; or (2) the student is afflicted with a chronic infectious disease which poses little risk of transmission in the school environment with reasonable precautions.

- Keep him/her home even if he/she is overly tired. Rest at such times may prevent the development of an illness.
- If he/she has symptoms of a possible communicable disease.

(These are usually sniffles, reddened eyes, sore throat, headache, and or abdominal pain, plus fever.) Please notify the school at once if the child does have a communicable disease.

Staff will monitor children to ensure children lather their hands and rub their hands together for at least 15 seconds.

All toys, equipment and classroom furniture will be thoroughly washed, rinsed and sanitized at least twice a year. Tables used for eating and food preparation will be cleaned with soap and water, rinsed, and then sanitized with a bleach solution before and after each snack.

ABSENTEE CALL IN PROCEDURE

It is the policy of the preschool that a parent is to call the school office at 363-0505 before the child's session begins. Your cooperation will be appreciated.

SPECIAL NEEDS STUDENT

Our goal is to provide a happy and wholesome school experience for preschool children within a Christian atmosphere. The program is flexible, permitting the teacher to plan activities for the needs and abilities of the particular children in the class. If we are unable to meet the needs of your child within our program, we will assist you to the best of our ability to find a program that will best benefit your child.

TRANSPORTATION TO AND FROM PRESCHOOL

Due to the extremely stringent regulations on the busing of preschoolers, parents are responsible for transportation to and from the school. Assistance will be provided in the form of names, addresses and phone numbers of families in your geographic area to aid in the forming of car pools. Parents are responsible for their car pool rules, regulations and schedules.

ARRIVAL AND DISMISSAL TIMES FOR SESSIONS

Children may not be brought to and left at school before or after the following times unless they are in the Before Care Program:

Morning Sessions:	8:30 a.m. Arrival
	11:00 a.m. Dismissal
	(8:10 am Arrival—if a sibling is in our day school)

Afternoon Sessions;	12:15 p.m. Arrival
	2:45 p.m. Dismissal

For safety's sake, children must always be left in the care of an adult, with the children being brought

directly to the classroom. Children must never be left at the preschool without a teacher present. Parents are asked to return to the classroom to pick up their children after class is over.

It is important that our teachers have adequate time to prepare for the next preschool session or for the next day. Their time is not well used waiting with students for their rides to arrive. The Joint Board has approved the following policy: **“There will be a charge of \$1.00 for every minute a parent is late picking up a child from preschool. The charges will begin 10 minutes after each session is dismissed. Exceptions will be determined by the principal.”**

BEFORE CARE PROGRAM:

We wish to provide a convenient place of Christian care where safety and help may be found for those who need assistance in the supervision of their children outside our regular school hours. One teacher will be assigned to supervise the students in one classroom. Students who need to arrive earlier than 7:50 a.m. may make use of our Before Care Program. It is available Monday through Friday from 7:00 a.m. until the beginning of the school day. The parents of a student placed in the Before Care Program will be charged \$5.00 per day. Each student will be charged the full amount for any portion of an attendance period. Students may use the Before Care Program on an as needed basis. There is no need to sign up in advance. Students arriving at school before 7:50 a.m. will be signed into the Before Care Program, and parents will be billed.

*A minimum number of students must be signed up in order for this program to operate.

AUTHORIZATION TO PICK UP A CHILD

No child will be released to a person not authorized by a parent to pick the child up. We must have written or verbal authorization for changes in this matter.

INCLEMENT WEATHER

Whenever a severe thunderstorm watch or warning or a tornado watch is issued by the U.S. Weather Service, the Preschool Director will decide if the school should remain in session. The policy of Immanuel-St. James is to remain in regular session during a thunderstorm watch or warning or a tornado watch. Whenever a tornado warning is issued, all students and staff will remain in their building, taking shelter in designated areas.

Parents, legal guardians or predetermined persons may pick up students from Immanuel-St. James during any severe weather warning. We do ask that parents refrain from calling the school. It is extremely important that our school and church telephone lines remain open during severe weather.

SCHOOL CLOSING VIA MEDIA

If it becomes necessary to close school due to inclement weather, the Director will notify the appropriate news media. If you hear the Grand Rapids Public Schools are closed on either radio or television stations due to inclement weather, we are automatically closed.

DRESS

Children are encouraged to wear comfortable clothes and shoes. Daily activities include active and messy play, and the children should feel comfortable enough to enjoy themselves without worrying about their clothes. The child's name should be placed on all outer garments and other belongings to help ensure the return of all the proper possessions and clothes. An extra set of clothing kept in the child's backpack is encouraged.

PARENT TEACHER LEAGUE

Any parent whose child is attending Immanuel-St. James Lutheran Preschool is encouraged to attend our Parent Teacher League meetings held throughout the year. The dates for the meetings are listed on the school calendar.

VOLUNTEERS

We are always in need of volunteers. We need and urge your voluntary assistance in planning trips, programs, public relations activities, recruitment of future students, and other activities. We always need extra parents to accompany us on field trips.

COMMUNICATION WITH PARENTS

This booklet has been supplied in an effort to answer many of your questions. Please contact anyone on the staff if you have more questions.

Parents are informed of the activities of the preschool through weekly newsletters and emails. The newsletter includes weekly unit topics, class activities, field trips, and suggestions for parents.

Because of state regulations concerning class size and teacher ratio, it is not possible for children to bring friends to visit.

Parents are encouraged to visit our preschool at any time. Because of occasional field trips and special activities, advance notice is suggested.

If the teachers are not free to talk with you, please understand that the children come first during the class time; the teachers will be happy to talk with you after the children are dismissed.

SUPPLIES

The school furnishes pencils and scissors for the children. A list of supplies each family will need to provide will be mailed out in August.
